TERMS AND CONDITIONS G-CLOUD 14

Our services are provided under the terms of the standard G-Cloud 14 Framework Agreement and Call-Off Contract and we do not require additional terms and conditions for this service offering apart from the below statement on IR35 which may be required as an annex to any G-Cloud 14 Call-Off Contract.

Annex

- The Supplier shall use its own initiative as to the manner in which services are to be delivered.
- The Supplier shall not be supervised, directed or controlled regarding how the services are delivered.
- The Supplier shall use its own equipment where security requirements permit.
- The Supplier is expected to provide the services on such hours/days as required to meet any deadlines, as agreed between the Supplier and the Client.
- The Supplier shall provide the necessary resources to support the Services which shall include one or more specialists.
- The outputs and deliverables will be linked to payments.
- The Client is willing to accept substitute personnel with the relevant skills and expertise.

ABOUT TESTQ

TESTQ Technologies is a global IT and business consulting company headquartered in the UK.
