

FORTIS

INFORMATION SECURITY AND RISK
MANAGEMENT

G-Cloud 14 Pricing

At Fortis Cyber® we work closely with our customers from the outset to identify the exact scope required to meet their business objectives, timeline and budget.

The price range opposite is a guide to our standard daily rates; however, each engagement is priced individually depending on the customer requirements and the scale and complexity of the work.

Volume-based discounts may be available for larger engagements and ongoing consultancy services.

Service Type	Price*
