ABOUT US

Founded in 2019, WeShape has a mission to become known as 'The Best at Tech Delivery'.We are an award-winning technology consultancy, specialists in the advisory and implementation of DevOps, Software Engineering, Data and Cloud Native solutions with capabilities within the UK and Eastern Europe.

Over the last few years we have been pleased to have been awarded The Best DevOps Consulting Firm 2022, The Best DevOps Services Firm 2023 and The Best IT Services Company 2022 at the IT Industry Awards by Computing.We are a B-Corp certified organisation where we have been recognised for our high standards of social and environmental performance, transparency, and accountability.Our team is also behind two leading technology communities - London DevOps and London Tech Leaders, with a combined community of 12,000 where we discuss the latest technology trends within the market and an opportunity to network with industry experts.For more information on our services and why we're different - Please visit us on www.weshape.io or contact me directly to learn more.

Contents

1 - Short Service Description

WeShape will work with you to identify a plan and manage transition to DevOps, drive improvements or support your DevOps operations.

We can work with organisations to assess how effectively they are adopting DevOps practices and building sustainable capability. We evaluate performance across technical, process and culture.

This training can be delivered on-site or remotely.

2 - Key Service Features

- Capability and Maturity assessment.
- DevOps process implementation
- Advisory around building high performing engineering teams.
- Expert WeShape consultant's to support DevOps.
- Collaborative knowledge transfer to internal engineering teams
- Overall DevOps capability score and customer-specific roadmap
- Identify training requirements to improve internal engineering teams
- Guidance on scaling and running high performing DevOps teams
- Sign up to a series of WeShape technology events

3 - Key Service Benefits

- Clear realistic roadmap with key milestones aligned with your strategy
- Implementation across the DevOps process lifecycle
- Productivity improvements
- Aligned technology with industry bested practices
- Lasting repeatable approach which can measure your DevOps maturity overtime
- Vendor neutral evaluation and selection of cloud products and tooling
- Reduces risk by making releases routine and safe
- Drives down time to market on product value streams
- Enhance the internal engineering skills and morale
- A better understanding of your environments, assets and maturity level

4 - Our Key Solutions

WeShape Advisory Consultant

WeShape Advisory consultants are industry experts, bringing innovative solutions and challenging the status quo, enabling your organisation to establish a new Digital identity and a lasting cultural shift.

Our Advisory consultants can provide the below solutions:

- DevOps Maturity Assessment – 10 days
- Containerisation Readiness and Assessment – 10 days
- Cloud Optimisation Assessment – 10 days

5 - Pricing Overview

WeShape offers this solution on a fixed cost basis of £22,500 based on a 10-day duration. All prices are exclusive of VAT.

Any additional services beyond the original scope of work will be structured on a time and materials charging model at the appropriate grade and will be based on the applicable SFIA (Skills for the Information Age) rate card, which is available as a separate document published on G-Cloud 13, Digital Marketplace.

WeShape will work with you to ensure the structure of the team and contract that will be most advantageous and provide the greatest value for you

6 - Security Procedures

- Staff screening for consultants will be performed to conform to BS7858:2012
- WeShape will obtain Government security clearance up to SC level for required projects
- Internal security procedures monitored by WeShape best practices to ensure secure working environment for all projects.
- Data will be handled according to ISO27001 and DPA18/GDPR standards

7 - On-boarding & Off-boarding

WeShape on-boarding processes will work to customer timeframes, and a WeShape Account Manager will provide consistent updates throughout the process ensuring all parties are aligned.

WeShape Technical Lead will evaluate current skills and capability gap within team to propose incremental team resource. Where required, WeShape team will collaborate with existing engineering teams to ensure relevant knowledge is transferred ahead of project initiation.

WeShape Account Manager will meet with customer regularly to ensure project deliverables are being met and ensure feedback/communication is consistent throughout the project.

WeShape Account Manager will arrange on-site visits with customer to meet relevant stakeholders, teams to ensure a strategic partnership is formed, as well as act as POC for escalation.

Our off-boarding process will include full knowledge transfer with WeShape technical team, including sharing information of the runbooks/documentation for operational and technical practices.

WeShape Account Manager will ensure full hand-over process is implemented to any incoming supplier or internal team to ensure relevant IP and knowledge transfer.

Should you be required to escalate beyond a WeShape Account Manager, WeShape will always have a designated Director available for support.

Tiered Service+Escalation Levels

- Level 1: WeShape Technical Lead
- Level 2: WeShape Account Manager
- Level 3: WeShape Director

8 - Why Choose WeShape?

WeShape are experts in the advisory and implementation of devops, software, data and cloud native solutions. We are an award-winning consultancy, and behind some of the largest technology communities in the UK - London DevOps, and London Tech Leaders. London DevOps is one of the most well-established Meetup events for Cloud, Development and Operations professionals, with over 10,000 members. London Tech Leaders is an exclusive, invite-only event of C-Suite executives in the technology sector.
Our solutions include organisational & technical advisory, squad deployment, on-demand consultants, training & coaching and nearshore delivery.

We are a B-Corp, ISO27001 certified, disability confident employer, and mental health at work committed business.
