Data Pillar - Pricing Document

- SFIA Rate Card for Software Development & Consultant Pricing Data Pillar provides Specialist Software & Support Services under Lot 2 and 3 only, all of which are resource-based. For all pricing information for individual resource types and grades please refer to our SFIA Rate Card and the accompanying Terms and Conditions.
- Volume Discount May Apply We would be pleased to discuss any volume discount that may apply for large orders.
- Option to Deliver Output-Based Services Where Customers wish to benefit from a service based upon outputs, rather than a simple time and materials basis, we would welcome discussion in advance of the ordering process on delivering such risk-sharing services (as and if and permitted under the terms of the contract).
