SFIA Level Definitions

The rate card outlines different specialisms at various experience levels and gives an indication of the likely charges associated to each. The table should be used by selecting the specialism (vertical axis) against the level of experience (horizontal axis) as required.

It is strongly advised that you use this as a guide but that individual client requirements are discussed on a case by case basis to assess which of these best suits your organisation.

	Autonomy	Influence	Complexity	Business skills
