## Pricing Notes

Recurring licence, support, and hosting fees are reviewed annually and are invoiced annually in advance.

Prices exclude VAT.

Minimum contract term is 12 months for all software licences. Minimum contract term for InCab Tablet-as-a-Service is 36 months.

Database hosting costs are dependent on the volume of traffic and uploads/downloads etc. We will review the hosting cost on a regular basis and amend if necessary.

Directly incurred expenses for technical team site visits including travel, subsistence and accommodation would also be charged in addition to the above costs.

Please refer to our standard Terms and Conditions on the Digital Marketplace.
