RATE CARD: TEAMS & TALENT

Whether you require on-shore staffing or want the benefit of a distributed team to reduce cost, our focus is on providing the most exceptional talent in Europe. We have a dynamic, flexible, and honest approach to every working relationship - our goal is to provide the very best quality service possible and help you deliver sustainable business outcomes.

The cost of engaging Agilicist is dependant on how much help is needed. Our staff are priced at a flat day rate, so it is based on the size and scale of what is required.
