

CLOUD STRATEGY (TRANSFORMATION) G-CLOUD 14 SERVICE DEFINITION DOCUMENT

protiviti®
Global Business Consulting

Protiviti Overview

Protiviti is a Global consulting firm founded in 2002 that delivers deep expertise, objective insights, a tailored approach, and unparalleled collaboration to help leaders confidently face the future. Protiviti and our independently owned Member Firms provide consulting solutions in finance, technology, operations, data, analytics, governance, risk, and internal audit to our clients through our network of more than 75 offices in over 28 countries. Protiviti has been recognised as one of the Top 15 best firms to work for, Consulting magazine for more than 5 years in a row. It is also One of Fortune magazine's 100 Best Companies to Work for. Protiviti is a wholly owned subsidiary of Robert Half.

Robert Half is a publicly traded company specialising in staffing and consulting services. Our 67 years of experience, reputation for excellence, and industry leadership position allow us to recruit and attract only the most experienced professionals to serve our client's needs. Robert Half is a member of the S&P 500 index. Robert Half once again was named to Fortune® magazine's "World's Most Admired Companies."

We partner with Robert Half to offer tailor-made for organisational change. Our unique flexible delivery model allows unmatched options and value points to our customers, including solution-based consulting, specialised project staffing, or a blend of the two through a customisable approach.

Protiviti's Cloud Solutions provide an end-to-end approach, from envisioning and planning through migration, implementations and managed services. Our heritage and expertise in audit and security ensure that your cloud environment is safe and governed. As a partner with the major cloud vendors, we work with our partners to ensure you get the most out of your cloud environment.
