

G-Cloud 14 Pricing Document

PointWire can work on a time and materials (T&M) basis for a set number of days in order to deliver consultancy, advice and support to existing resources in the business. Pricing for this can be found below.

In addition to this, objective/outcome based project engagements can be undertaken by PointWire to deliver tasks, support, and/or projects set out by the organisation. Pricing for work packages are given on a case by case basis and tailored to exact requirements.

The services which PointWire offer are as follows:

- Cyber Tooling Health Check
- Cyber Tooling Managed Service
- Security Configuration Management Services
- Cyber Security Risk Baseline Services
- Technical and Security Engineering Services

A statement of work (SoW) will be provided which will outline the service requirements as well as timescales which are dependent on the scope of work and requirements.

All services quotations are provided excluding VAT. The costs provided above are specific to scoping of works and do not provide a guaranteed price for supplementary work.

Standard travel charges apply to all journeys away from PointWire Limited's trading address. Travel time is charged at 50% of the project day rate. These expenses are standard charges unless otherwise specified in the service terms or description.

PointWire day rates are between £1000 (ex VAT) and £1500 (ex VAT).
