

Pricing for UK public sector organisations

BeaurohuratImpact is the leading source of company information for public sector organisations looking to understand private companies and their impact on the economy.

The online data platform covers all private UK companies. Information includes full Companies House data, business descriptions, sectors, key people, directors, shareholders, financials, corporate structure, credit scores, ESG, investment, risk signals, patents, trade, contact details, grants, locations, company news, and more.

The platform has rich profiles for over 13 million UK companies and powerful tools allowing you to create custom searches over 500+ data points and easily analyse the results.

Platform pricing

The price of BeaurohuratImpact depends on the number of users required.

Dedicated training and support (online and onsite) is included in the cost of all subscriptions.

Number of users	Annual price	Equivalent price per user
up to 5	£24,500	£4,900
up to 10	£40,000	£4,000
up to 20	£63,000	£3,150
up to 50	£127,500	£2,550
up to 100	£160,000	£1,600
up to 500	£242,500	£485
up to 1,000	£325,000	£325
up to 5,000	£875,000	£175
up to 10,000	£1,250,000	£125

All prices are exclusive of VAT. Minimum contract length 12 months.
