Retriever Pricing

Retriever is built from web search engine technology and uses big data indexing techniques to match your information against billions of items of data, helping you trace your debtors with greater success than ever before.

Results are rank-ordered by relevance and recency, just like in a search engine and – where found – full name, date of birth, address and contact details are all returned too.

Annual Licence Fees – all searches included

Users	Annual Licence Fee
1 - 2	£7,000.00
2 - 5	£5,000.00
6 - 10	£4,000.00
11 +	£3,000.00

Notes

Pricing is per individual user and based on volume of users and licence duration.
