

E-PROCUREMENT PLATFORM - PRICING DOCUMENT

(Updated 2025)

G-Cloud 14

Overview

This document outlines the pricing for the Cimple e-Procurement module which is completely flexible and tailored to your business needs. All pricing listed below represents the standard licence fees for Cimple, with no variable or maximum-based pricing models applied.

The licence fees below represent the annual and monthly costs for a single, organisation-wide licence with unlimited user seats (buyer and supplier).

This document outlines the updated pricing for the Cimple e-Procurement module.

Organisation Size	Annual Spend	Price per month	Annual License Fee
Micro	£0 to £10 million	£500	£6,000
Small	£10 million to £50 million	£1,000	£12,000
Medium	£50 million to £150 million	£1,500	£18,000
Large	£150 million to £300 million	£3,000	£36,000
Enterprise	> £300 million	£5,000	£60,000

Prices above are exclusive of VAT.

Contracting Authorities have the flexibility to pay either monthly or annually. Where the annual licence fee is paid upfront, a **5% discount** is applied. If the contract is paid in full upfront, a **10% discount** is applied.

An onboarding fee equivalent to **20% of the Year 1 licence fee** is charged to cover the set-up, configuration, and training required to support implementation.

A base level of training is included within this onboarding and implementation fee. Additional training sessions can be purchased at a rate of **£150 per hour, £300 per half day or £600 per full day**, depending on requirements.

There is a minimum licence fee period of 12 months.
