# G-Cloud Services for this Rate Card

This Cloud Support Services Rate Card applies to the following services within the G-Cloud Support Services lot within G-Cloud 14.

- Cyber Advisory Consultancy Services
- Cloud Security Services
- Software and Hardware Asset Management Services
- Expert services in Identity and Access Management
- Penetration Testing and Red Teaming Services
- Operational Technology (OT)

This document provides our day rate card applicable to all of the above Services.

A range of rates are provided within the rate card below as we have a range of workforces and levels that are able to provide the services defined above based on the business need.

The experience level and rate of resource will always be matched against the business requirements of the buying organisation.

	Strategy and architecture	Business change	Solution development and implementation	Service management	Procurement and management support	Client interface
1. Follow	£650	£650	£650	£650	£650	£650
