Rplus Analytics G-Cloud 14 Pricing

Pricing / Charges

Projects will be scoped based upon the requirements outlined by the purchasing organisation. This will include a breakdown of the tasks and responsibilities and the time required to deliver the project.

Unit Based Pricing: All pricing in Rplus Analytics Rate Card document are quoted on per person, per day basis

Rplus Analytics is happy to estimate a number of days required to provide an overall service which can be procured together. Day rates provided with the service definition are maximum charges.

The total price for the project will be calculated based upon the SFIA Rate card below (subject to any applicable discounts) under the G-Cloud Agreement.

For any variation on this pricing model or enhanced requirements please contact Rplus Analytics to discuss.
