Pricing Document

This service is priced based on anticipated resource requirement. The G-Cloud customer would contact KC4I Solutions Ltd and a package of work would be agreed between the parties. This would form the basis of the order and be subject to the Framework Agreement Terms & Conditions that support this service. Resources will be charged in accordance with the agreed SFIA man day rates.

Two pricing options are available:

- **Firm price.** The firm price will be based on the anticipated resource requirements including provision for risk. Provision for travel and subsistence cost will be made. Payment will be required against achievement of agreed milestones. Details will be specified in a firm priced quotation provided and agreed before service commencement.
- **Limit of liability.** The limit of liability will be agreed based on an anticipated resource requirement. Charges will then be made monthly in arrears against resource effort expended. A limit of liability will also be agreed to cover travel and subsistence. Travel and subsistence costs will be charged at cost (including the Authority's Management Charge) monthly in arrears against cost incurred.

Rates are shown below and are exclusive of VAT which will be applicable at the prevailing rate:

Partners	£1,300 per day
Senior Consultants	£1,000 per day
Consultants	£850 per day
Junior Consultants	£600 per day

Further information is available in the accompanying SFIA rate card.
