LEGAL DISCLAIMER

CrowdStrike's solution, pricing and offer to provide services and products in this response is expressly conditioned on: (i) CrowdStrike's current understanding of the scope of the project based on the information in the RFI, RFP, RFQ, Security Questionnaires and otherwise available and provided to CrowdStrike; and (ii) the parties negotiating mutually agreeable final terms and conditions upon award.

The information contained in this Response marked "confidential" is considered by CrowdStrike to be proprietary and confidential to CrowdStrike. The information contained in this Response may be used solely in connection with the evaluation of the Response. To the extent that a claim is made under applicable law to disclose confidential information contained in this Response, CrowdStrike reserves the right to defend its confidential information against such claim. Subject to applicable law, you agree (a) to keep the information contained in this Response in strict confidence and not to disclose it to any third party without CrowdStrike's prior written consent and (b) your internal disclosure of the information contained in this Response shall be only to those employees, contractors or agents having a need to know such information in connection with the evaluation of the Response and only insofar as such persons are bound by a nondisclosure agreement consistent with the foregoing. You do not acquire any intellectual property rights in CrowdStrike's property under the Response and you agree to comply with all applicable export control laws and regulations to ensure that no confidential information is used or exported in violation of such laws and regulations. You may make a reasonable number of copies of this Response for your internal distribution for use solely in connection with the evaluation of the Response; otherwise, you may not reproduce or transmit any part of this Response in any form or by any means without the express written consent of CrowdStrike. By reading the Response, you have agreed to be bound by the foregoing terms.

TABLE OF CONTENTS

FALCON DATA PROTECTION
