1.1 Service Price principles & Unit prices

Hawcrose offers Spending Review digital advisory services as standalone consultancy engagements or as part of a larger digital product project. Available services include:

- A.I and Machine Learning based analytics
- Commercial and Financial analytics
- Use of Bayesian Networks to deliver portfolio Benefits optimisation
- Business Analysis
- Requirements Analysis
- Solution Modelling
- Architecture Modelling
- Operational Analysis
- Scenario Testing
- Programme Risk and Uncertainty Assessments
- Digital Roadmap Design
- Integration Assessments
- Public Sector Customer Friend

Advisory services are offered on a fixed price work package basis or on a time and materials basis with agreed person day rates. It is difficult to give example prices for work packages as they would depend on the scope of any specific project. A time and materials project would be based on the following person day rates which have been agreed on other UK Government framework contracts:

Resource Type	Person-day rate
Principal Consultant	£1,442
Senior Consultant	£1,133
Financial Analyst	£927
Legal and Contracts Analyst	£1,133
System Architect	£1,133
Tester	£824

1.2 Discounts

If projects are priced on a time and materials basis, we can offer volume discounts for larger commitments.

Project size	Available discount
100 - 199 days	5%

200 - 299 days	8%
>300	10%

1.3 What is not in the price

All work packages are delivered against agreed requirements with a defined set of deliverables. No ongoing engagement is implied.

1.4 Extra services

Bespoke development, configuration and deployment services can be offered on request.
