<b>Training and support</b>	1-hour on-boarding meeting. See Additional Services for additional training and support.			

Discounts are offered for multi-year contacts, 10% for a 2-year contract and 15% for 3 years.

### Additional Services

OnePlanet's software service is to be purchased in conjunction with our Cloud Support Service which can be found on G Cloud 14 under OnePlanet Systems-Mapping Consultancy, Training and Support. The support service includes consultancy, training and support at a four-level approach. It is highly recommended that the support service is purchased to benefit fully from the software.

<sup>1</sup> All accounts include as standard: Sustainable Development Goals, One Planet Living, 4Ps
