G Cloud 13 – April 2022

Pricing (including unit prices, volume discounts (if any), data extraction etc.)

RIPS is a cloud solution, which allows caseworkers and organisations to collaborate in support of individual refugees.

RIPS is provided free of charge to sites who are supporting migrants and refugees.

ANS charge for hosting, training and support fees only.

This package includes:

- Registration of clients
- Allocation of services to clients under care of caseworkers
- Caseworker access to maintain client records
- Recording of advice and actions provided to clients
- Client reports
- Caseworker reports
- Team leader reports
- Statistical reports for management and funders

For hosting of RIPS: £ 150 per caseworker per annum

This allows you to manage an unlimited number of clients and to look after your clients from anywhere where you can get access to the internet.

Training day for caseworkers and administrators: - £ 700 for the day

Migration and consultancy:

- £ 1000 – installation charge
- £ 900 – project management
- £ 700 – consultancy per man day

Travel, subsistence and mileage costs will be charged at cost.

Discounts: 5% for orders over £ 30,000
