G-Cloud 14 Framework
Lot 3: Pricing

QUADRIS

Contents

1. Introduction

This document provides the prices for our services listed under Lot 3 (Cloud Support) of the UK G Cloud 13 Framework. Although we have attempted to provide pricing that covers most scenarios, there may be some requirements that don't easily fit into one of the categories covered. Please therefore contact us (details on the last page of this document) if you need any clarification or if the exact service you require is not entirely covered within this document.

2. Framework Terms and Conditions

Pricing is subject to the Framework Terms and Conditions, and any additional Terms and Conditions that may be listed under each service.

3. Microsoft 365 / Office 365 Managed Support

This service is priced at £3.45 per user per month.

Consultancy projects associated with the design, configuration and implementation of the Microsoft 365 service are defined in an associated statement of works and priced at our SFIA Rate Card

4. Vulnerability Scanning as a Service (Qualys)

Vulnerability Scanning Service	Price Per Month	One Off Cost From
External Scanning(50 IP Adresses Included)	£ 350.00	
Internal Scanning(50 Agents and Virtual Scanning Appliance)	£ 550.00	
25 Additional IP's / Agents	£ 35.00	
External Setup Cost		£ 650.00
Internal Setup Cost		£ 1,200.00
