## Our Values

Ethical Healthcare's sole purpose is to deliver positive and meaningful social impact on key societal challenges in the areas of health, wellbeing, and welfare.

Our values are at the core of everything we do, the behaviours we demonstrate and the improvement and changes we seek to deliver to our partners.

Equality and equity: we are never exploitative.

Integrity: we always act in line with our values and morals

Happiness: we strive to make our clients, our colleagues and ourselves happy in our work and lives.

Honesty and Transparency: we are always open and honest and fully transparent in everything we do.

Compassion: we look for the best in all situations and people, we are generous in giving our support.

# 1 Terms and Conditions

Terms and conditions for this service are as standard G Cloud T&Cs. Additional points of note:

- Invoicing payment terms are strictly a maximum of 30 days.
- EHC reserve the right to charge interest on late payments at statutory interest rates.
- Work will not commence until receipt of a purchase order.
- Ethical's teamwork remotely. Should it be agreed that on-site working would be beneficial, EHC would be happy to moderate our approach accordingly. This would incur expenses which we would (additional) charge in line with the organisation's expense policy.
- Ethical will use their best efforts to complete the project and will conduct risk assessments. They will keep the client informed of any issues and ensure value for money for the Trust.

It is important to note that EHC will aim to deliver the agreed deliverables, however, we reserve the right to request an extension or additional budget to complete the work, should there be delays beyond EHC's control.
