

CybExer Technologies Pricing Model

Lot 2: Cloud Software and Lot 3: Cloud Support

Price Range				
Description	Unit/Service	Quantity	Minimum (GBP)	Maximum (GBP)
Lot 2: Cloud Software				
Cyber warfare training system	License	1 year	320,000	2,100,000
Cyber warfare training platform (SaaS)	Access & Use (SaaS)	1 year	96,000	340,000
AI research & testing platform	License	1 year	85,000	2,100,000
AI research & testing platform (SaaS)	Access & Use (SaaS)	1 year	64,000	340,000
Digital twin management system	License	1 year	85,000	2,100,000
Digital twin management platform (SaaS)	Access & Use (SaaS)	1 year	64,000	340,000
Cyber resilience training system	License	1 year	85,000	2,100,000
Cyber resilience training system (SaaS)	Access & Use (SaaS)	1 year	64,000	340,000
Lot 3: Cloud Support (Trainings & Exercises)				
Live Fire Exercise / Training	Service	1 event	40,000	750,000
Blue Team Exercise / Training	Service	1 event	30,000	170,000
Red Team Exercise / Training	Service	1 event	40,000	270,000
Purple Team Exercise / Training	Service	1 event	40,000	550,000
Threat Hunting Exercise / Training	Service	1 event	25,000	270,000
Capture the Flag (CTF) exercise / training	Service	1 event	20,000	200,000
Crisis simulation exercise / training	Service	1 event	20,000	350,000

Price Range				
Description	Unit/Service	Quantity	Minimum (GBP)	Maximum (GBP)
Computer Security Incident Response Team (CSIRT) training	Service	1 event	20,000	45,000
Operational Technology (OT) cybersecurity training (Securing ICS/SCADA)	Service	1 event	20,000	100,000
Security monitoring & threat hunting training (Understanding Exploitation)	Service	1 event	20,000	65,000
Security monitoring & threat hunting training (Detecting Compromise)	Service	1 event	20,000	65,000
Network & infrastructure attack exercise	Service	1 event	20,000	65,000
Hybrid cyber security exercise (tabletop & technical training)	Service	1 event	30,000	100,000
Cloud security exercise / training	Service	1 event	40,000	90,000
Extra Services				
Platform Support and Maintenance (On-prep)	Service	1 year	80,000	420,000
Service Support and Maintenance (SaaS)	Service	1 year	80,000	220,000

Volume discounts and data extraction costs are dependent on the exact service and quantities.

Not included in the price:

- Cyber Range Support and Maintenance on required operating systems included in the pricing model as an extra service.
- Cyber Range Cloud Hosting or Hardware when utilizing a Third Party.
