Pricing for this Listing

Tableau Desktop Courses

Fundamentals of Tableau Desktop (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Tableau Desktop Advanced Principles (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Notes on Training Pricing

- Discounts of 5% are available for education, healthcare and small organisations on full priced training courses
- Pricing does not include software licenses
- Pricing does not include venue hire (if required)

Pricing for Other Training and Services

Pricing for other Tableau Courses

Data Visualisation Best Practices in Tableau (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Tableau Prep Builder (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Tableau Server/Online Administration (1 day)

- Pricing per course
 - £2,700 per course for up to 5 attendees
 - £3,400 per course for up to 15 attendees
- Additional £200 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Business Dashboard Masterclass using Tableau (0.5 days)

- Pricing per course
 - £2,700 per course for up to 5 attendees
 - £3,400 per course for up to 15 attendees
- Additional £200 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation
- Despite this course being 0.5 days to deliver, it requires tailored preparation for each organisation of 1+ days so the price reflects this.

Exam Preparation Masterclass – Tableau (1 day)

- Pricing per course
 - £2,700 per course for up to 5 attendees
 - £3,400 per course for up to 15 attendees
- Additional £200 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Pricing for Alteryx Courses

Alteryx Designer Fundamental Principles (1 day)

- Pricing per course
 - £2,700 per course for up to 5 attendees
 - £3,400 per course for up to 15 attendees
- Additional £200 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Alteryx Designer Advanced Principles (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Pricing for Power BI courses

Power BI Fundamental Principles (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Data Visualisation Best Practices in Power BI (2 days)

- Pricing per course
 - £5,400 per course for up to 5 attendees
 - £6,800 per course for up to 15 attendees
- Additional £400 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation

Business Dashboard Masterclass using Power BI (0.5 days)

- Pricing per course
 - £2,700 per course for up to 5 attendees
 - £3,400 per course for up to 15 attendees
- Additional £200 per course for each additional attendee
- Course pricing is valid for the maximum number of attendees as provided above, and attendees should be from the same organisation or partner organisation
- Despite this course being 0.5 days to deliver, it requires tailored preparation for each organisation of 1+ days so the price reflects this.

Pricing for Support following Training Delivery (applicable for any of the above courses)

- **Price:** Annual subscription of £1050 per person per technology (e.g. Tableau or Alteryx) – each service user must have been a prior attendee of one of our training courses
- **Response time:** within 5 working days
- **Scope:** troubleshooting queries and providing advice for topics that are relevant to (were covered in) the course that was already attended. Consulting and development are not in scope for this service. Up to 4 queries per person per month.

Pricing for Consulting Services

The following day rates can be used for multiple consulting service offerings, including support packages, Enablement packages and analytics consulting. Please see Service Definition Document for more detail.

Our time and materials consulting pricing is based on the Skills Framework for the Information Age rate card:

	Strategy and architecture	Change and Transformation	Development and implementation	Delivery and Operation	People and skills	Relationships and engagement
1. Follow	£600	£600	£600	£600	£600	£600
2. Assist	£800	£800	£800	£800	£800	£800
3. Apply	£1,000	£1,000	£1,000	£1,000	£1,000	£1,000
4. Enable	£1,200	£1,200	£1,200	£1,200	£1,200	£1,200
5. Ensure, advise	£1,400	£1,400	£1,400	£1,400	£1,400	£1,400
6. Initiate, influence	£1,800	£1,800	£1,800	£1,800	£1,800	£1,800
7. Set strategy, inspire, mobilise	£2,200	£2,200	£2,200	£2,200	£2,200	£2,200

Standards for consultancy day rate cards

- Pricing is per person per working day (8 hours).
- Consultant's working day: 8 hours exclusive of travel and lunch
- Working week: Monday to Friday excluding national holidays
- Office hours: 9:00am to 5:00pm Monday to Friday
