Notes

- 1 We define a user as an individual who has a login to the Jotform instance to:

a. create/edit forms, workflows, and e-signature documents,

b. initiate integrations, and

c. view/edit/analyze submission data directly in the database.
- 2 When determining the number of users, please note that our licensing agreement requires each user to be a unique person with an individual email address. Group aliases like marketing@company.com are not allowed, and neither is sharing login credentials with other individuals. Each login should be traceable to a unique individual for IT audit and tracking purposes and as a best practice.
- 3 In addition to the above annual subscription fees, there is a **one-time Onboarding Fee for all customers** of £2,700. The following services can also be purchased as add-ons:

• **SSO integration:** £1,900/year

• **HIPAA-enabled Server:** £3,380/year

• **Additional Custom Domain:** £400/year

• **Professional Services:** Price based on requirements: please reach out to us directly
- 4 We offer multiyear upfront payment discounts of 10% for 3 years paid upfront and 15% for 5 years paid upfront. This discount is applicable to recurring fees only.
