

Service Title: Virtual Chief Information Security Officer (VCISO) Service

Service Provider: ScyberX Limited

Service Description:

The Virtual Chief Information Security Officer (VCISO) service provided by ScyberX Limited offers comprehensive cybersecurity leadership and strategic guidance to organisations seeking to enhance their security posture. Our experienced VCISO professionals work closely with clients to develop and implement tailored cybersecurity strategies, policies, and procedures.

Pricing Structure:

1. Monthly Subscription Fee:

- Clients can opt for a monthly subscription model, providing ongoing access to the VCISO service with the flexibility to scale up or down as needed.
- The monthly subscription fee is based on the scope and complexity of the client's cybersecurity requirements.
- Please contact us directly for a personalised quote based on your organisation's specific needs.

2. Annual Subscription Fee:

- For clients seeking long-term engagement and cost savings, we offer an annual subscription option.
- The annual subscription fee provides access to the VCISO service for a 12-month period, with discounted pricing compared to the monthly subscription model.
- Please contact us directly for pricing details and to discuss the benefits of an annual subscription.

3. One-Time Consultation Fee:

- In addition to subscription options, clients may opt for a one-time consultation fee for specific cybersecurity assessments, strategy development sessions, or ad-hoc consultancy services.
- The one-time consultation fee is determined based on the duration and complexity of the engagement.
- Please contact us directly to discuss your requirements and to receive a quote for one-time consultation services.

Discounts and Special Offers:

- ScyberX Limited may offer discounts or special pricing arrangements for long-term contracts or bundled services.
- Please inquire about any available discounts or promotions at the time of consultation.

**Payment Terms:****1. Invoicing:**

- Invoices for the monthly subscription fee and any additional services will be issued on a monthly basis.
