

## **1. Agreement**

By accessing or utilising the VCISO (Virtual Chief Information Security Officer) service provided by ScyberX Limited, you agree to adhere to the following terms and conditions. Failure to comply with any part of these terms and conditions may result in the termination of service provision.

## **2. Service Provision**

ScyberX Limited offers the VCISO service to clients subject to the terms and conditions outlined herein. We reserve the right to modify, suspend, or terminate the service (or any part thereof) without prior notice.

## **3. User Conduct**

Users of the VCISO service are required to conduct themselves in a manner that is lawful, ethical, and compliant with these terms and conditions. Prohibited actions include but are not limited to:

- Transmitting or sharing unlawful or offensive content.
- Impersonating individuals or misrepresenting affiliations.
- Attempting unauthorised access to the VCISO platform or related systems.

## **4. Intellectual Property**

All content, materials, and intellectual property associated with the VCISO service are the exclusive property of ScyberX Limited and are protected by copyright laws. Users may not reproduce, distribute, or modify any part of the service without prior written consent.

## **5. Limitation of Liability**

ScyberX Limited shall not be liable for any direct, indirect, incidental, special, or consequential damages arising from the use of the VCISO service. Users assume all risks associated with their use of the service.

## **6. Governing Law**

These terms and conditions shall be governed by and construed in accordance with the laws of England. Any disputes arising from or related to these terms and conditions shall be subject to the exclusive jurisdiction of the courts of England.

## **7. Changes to Terms**

ScyberX Limited reserves the right to revise or amend these terms and conditions at any time without prior notice. Users are responsible for regularly reviewing these terms to stay informed of any updates. Continued use of the VCISO service constitutes acceptance of the revised terms.
