

## Email Security Services: LOT 2: Cloud Software

VE3 Global Ltd  
G-Cloud 14 Pricing Document  
Email Security Services  
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 107438355443664

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

### 1. Published subscription pricing

Foundation - £5,880 per year

Includes standard inbound email protection, anti-spam and anti-malware filtering, policy management, and up to 250 protected mailboxes.

Professional - £12,600 per year

Includes all Foundation features plus advanced phishing protection, data loss prevention, sandbox analysis, and up to 1,000 protected mailboxes.

Enterprise - £24,000 per year

Includes all Professional features plus advanced routing, encryption capability, premium threat protection, and up to 3,000 protected mailboxes.

### 2. One-off setup and activation charges

Service onboarding and activation - £1,500 one-off

Includes initial setup, policy configuration, routing enablement, and onboarding of one primary email domain.

Additional domain or connector onboarding - £350 one-off per domain or connector

Applies to each additional protected email domain or connector beyond the standard setup included in onboarding.

### 3. Optional published add-ons

Additional mailbox pack - £1,800 per year

Provides protection for an additional block of up to 250 mailboxes.

Advanced encryption and DLP add-on - £1,140 per year

Provides enhanced outbound encryption controls, policy-based routing, and expanded data loss prevention capability.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

### 4. Included as standard

Role-based access control, standard audit logging, and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Baseline policy management, reporting, and standard protection capability are included within the subscribed service entitlement.

### 5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the mailbox volume, protected domains, and service options selected by the buyer.

Where the buyer requires additional mailboxes, domains, connectors, or advanced protection capability, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Email Security Services and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
