G-Cloud 14 Pricing Document  
Data & Analytics in Local Government  
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: **153444010192804**.

Pricing basis: Published monthly subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

### **1. Published subscription pricing**

Foundation - £950 per month per organisation

Includes one live environment, up to 25,000 citizen or household records, up to 10 named users, standard dashboards, case summaries, and baseline risk indicators.

Professional - £2,200 per month per organisation

Includes all Foundation capabilities plus up to 100,000 citizen or household records, up to 25 named users, cross-service dashboards, automated case summaries, and advanced intervention analytics.

Enterprise - £4,500 per month per organisation

Includes all Professional capabilities plus up to 300,000 citizen or household records, up to 75 named users, predictive insights, partner data integration support, and premium support.

### **2. One-off setup and activation charges**

Service onboarding and activation - £2,750 one-off

Includes initial service setup, baseline configuration, and onboarding of up to 3 data sources and 3 standard dashboards.

Additional partner data source onboarding - £450 one-off per source

Applies to each additional partner or internal data source above the entitlement included within the onboarding charge.

### **3. Optional published add-ons**

Additional record volume pack - £400 per month

Adds up to 25,000 additional citizen or household records to any subscription tier.

Advanced intervention modelling add-on - £500 per month

Provides additional predictive models, risk scoring configurations, and enhanced intervention analysis.

Annual prepayment discount - 5%

Applies to recurring subscription charges and is available to all buyers on the same basis.

### **4. Included as standard**

Standard software support during UK business hours is included.

Standard dashboards, case summary administration controls, and service reporting are included.

Scheduled data refresh, risk indicator administration, and platform configuration within the subscribed entitlement are included.

### **5. Pricing assumptions and notes**

Recurring charges are billed monthly unless otherwise agreed through a published payment schedule.

The applicable subscription tier is determined by the record volume, named users, and service entitlement selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Data & Analytics in Local Government and apply equally to all buyers.

Any discounts are published in this document and are available to all buyers on the same basis.
