

VE3 Global Ltd  
G-Cloud 14 Pricing Document  
Azure Information Protection  
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 162561740922908.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

## 1. Published subscription pricing

Foundation - £4,800 per year

Includes one live environment, one test environment, up to 250 protected users, up to 3 named admin or power users, standard classification policies, label management, and standard reporting.

Professional - £10,800 per year

Includes all Foundation features, plus up to 1,000 protected users, up to 10 named admin or power users, automated labelling, policy analytics, connector support, and enhanced reporting.

Enterprise - £21,600 per year

Includes all Professional features, plus up to 3,000 protected users, up to 25 named admin or power users, advanced protection policies, audit export, premium support, and enhanced governance controls.

## 2. One-off setup and activation charges

Service onboarding and activation - £1,500 one-off

Includes initial service setup, baseline policy configuration, and standard implementation support.

Additional policy pack configuration - £400 one-off per pack

Applies to each additional policy pack or protection rule set configured above the baseline configuration included within the onboarding charge.

## 3. Optional published add-ons

Additional protected user pack - £1,200 per year

Adds up to 250 protected users to any subscription tier.

Advanced classification and auto-labelling add-on - £1,800 per year

Provides expanded classification rules and automated labelling workflows. This add-on is included within the Enterprise subscription.

Additional connector configuration - £900 per year

Provides configuration and management for one additional protected repository or connector integration.

## 4. Included as standard

Role-based access control, standard audit logging, and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Policy management, classification controls, and label administration are included within the subscribed service entitlement.

## 5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the protected user volume and admin entitlement selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Azure Information Protection and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
