VE3 Global Ltd
G-Cloud 14 Pricing Document
Dynamics CSP
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 171541634378952

Pricing basis: Published monthly subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation subscription - £175 per subscription per month

Includes baseline licensing administration, subscription setup, and standard access to the licensing management portal.

Professional subscription - £450 per subscription per month

Includes all Foundation features plus expanded subscription management, renewal support, and consolidated licensing oversight.

Enterprise subscription - £850 per subscription per month

Includes all Professional features plus advanced subscription governance, portfolio oversight, and priority licensing administration support.

2. One-off setup and activation charges

Service onboarding and activation - £1,000 one-off

Includes subscription onboarding, baseline configuration, and initial activation of one managed licensing portfolio.

Additional portfolio or billing configuration - £400 one-off per portfolio or billing profile

Applies to each additional licensing portfolio, billing profile, or connected management configuration beyond the standard setup included in onboarding.

3. Optional published add-ons

Additional sandbox or test subscription profile - £150 per month

Provides one additional non-production subscription profile for testing, evaluation, or training purposes.

Advanced reporting and optimisation add-on - £200 per month

Provides enhanced subscription reporting, scheduled usage insights, and licensing optimisation support.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Core subscription management, standard dashboards, and service usage reporting are included.

Standard software support during UK business hours is included.

Baseline subscription governance, management capability, and standard security roles are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly in advance and are based on a minimum contract term of 12 months.

The applicable charges are determined by the number and type of subscriptions selected by the buyer.

Where the buyer requires additional portfolios, billing profiles, or reporting capability, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Dynamics CSP and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
