VE3 Global Ltd
G-Cloud 14 Pricing Document
VE3 Microsoft Dynamics 365 (Official Sensitive)
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 291705073962703.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation – £9,600 per year

Includes one live secure configuration, one test or validation setup, up to 5 secure business processes, up to 5 named admin or power users, standard secure dashboards, workflow controls and the core Dynamics configuration library.

Professional – £21,600 per year

Includes all Foundation features, plus up to 15 secure business processes, up to 15 named admin or power users, enhanced workflow automation, API access, secure reporting and release controls.

Enterprise – £39,600 per year

Includes all Professional features, plus up to 40 secure business processes, up to 50 named admin or power users, single sign-on, role-based access control, audit export and premium support.

2. One-off setup and activation charges

Service onboarding and activation – £3,000 one-off

Includes initial service setup, baseline configuration and onboarding of up to 5 secure business processes or integrations.

Additional secure business process or integration onboarding – £450 one-off per item

Applies to each additional secure business process or integration above the first included items within the onboarding charge.

3. Optional published add-ons

Additional secure process pack – £3,000 per year

Adds up to 5 secure business processes or integrations to any subscription tier.

Enhanced security assurance add-on – £3,600 per year

Provides additional security assurance reporting, audit support and release governance workflows. This add-on is included within the Enterprise subscription.

Private deployment option – £9,600 per year

Provides a dedicated private deployment for buyers requiring a segregated environment.

4. Included as standard

Role-based access control, standard audit logging and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Secure configuration management, audit reporting and controlled release management are included within the subscribed service entitlement.

5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the secure process volume, integration scope, user entitlement and service options selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for this service and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
