

Digital Annealer Discovery Service: LOT 2: Cloud Software

VE3 Global Ltd
G-Cloud 14 Pricing Document
Digital Annealer Discovery Service
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 372256958874257

Pricing basis: Published package pricing with fixed one-off mobilisation charges and fixed optional add-ons.

1. Published service package pricing

Foundation - £5,250 per engagement

Includes up to 30 standard service units for discovery workshops, optimisation problem framing, baseline analysis, and a summary findings report.

Professional - £12,750 per engagement

Includes all Foundation capabilities plus specialist modelling support, option appraisal, affordability assessment, and a detailed final report.

Enterprise - £25,500 per engagement

Includes all Professional capabilities plus extended stakeholder engagement, implementation roadmap, and business case support.

2. One-off setup and activation charges

Engagement initiation and mobilisation - £1,250 one-off

Includes kick-off, planning, access setup, and mobilisation of up to 3 stakeholder groups.

Additional stakeholder workshop pack - £850 one-off per workshop

Applies to each additional facilitated workshop above the workshops included within the selected package.

3. Optional published add-ons

Additional standard service unit - £175 per unit

Provides additional discovery, analysis, or documentation support within the scope of the service.

Additional specialist service unit - £850 per unit

Provides additional optimisation specialist input, solution architecture, or advanced commercial analysis.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Facilitated discovery workshops, solution scoping, and recommendations are included.

Standard engagement management and progress reporting are included.

A final findings report within the selected package scope is included.

5. Pricing assumptions and notes

Package prices apply to a single engagement and are invoiced against the published call-off order.

The applicable package is determined by the scope, stakeholder coverage, and delivery outputs selected by the buyer.

Where the buyer requires additional units or workshops, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Digital Annealer Discovery Service and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
