VE3 Global Ltd
G-Cloud 14 Pricing Document
Dynamics 365 Finance
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 420001753250376

Pricing basis: Published monthly unit pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published unit pricing

Activity user unit - £175 per user per month

Includes access for light-touch finance activity, approvals, reporting access, and standard workflow participation.

Finance operations user unit - £650 per user per month

Includes core finance operations capability, budgeting, ledger management, reporting, and process automation.

Premium finance and planning user unit - £850 per user per month

Includes advanced finance management, forecasting, planning support, analytics, and extended workflow capability.

2. One-off setup and activation charges

Service onboarding and activation - £1,750 one-off

Includes initial setup, baseline configuration, and activation of one live environment.

Additional legal entity or integration setup - £650 one-off per entity or integration

Applies to each additional legal entity, environment, or connected application beyond the standard setup included in onboarding.

3. Optional published add-ons

Additional sandbox environment - £200 per month

Provides one additional non-production environment for testing, configuration, or training purposes.

Advanced analytics and reporting add-on - £250 per month

Provides extended finance dashboards, scheduled reporting, and additional reporting capability.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Core finance processing, standard dashboards, and service usage reporting are included.

Standard software support during UK business hours is included.

Baseline configuration, workflow capability, and standard security roles are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly in advance and are based on a minimum contract term of 12 months.

The applicable unit charges are determined by the number and type of user units selected by the buyer.

Where the buyer requires additional entities, integrations, environments, or reporting capability, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Dynamics 365 Finance and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
