VE3 Global Ltd
G-Cloud 14 Pricing Document
Salesforce - Experience Cloud
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 422227483092408.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation – £7,800 per year

Includes one live Salesforce Experience Cloud site, one test environment, up to 5 community or portal journeys, up to 5 named admin or power users, standard dashboards, content areas and the core experience configuration library.

Professional – £16,800 per year

Includes all Foundation features, plus up to 20 community or portal journeys, up to 15 named admin or power users, automation, API access, personalised pages and cross-channel reporting.

Enterprise – £31,200 per year

Includes all Professional features, plus up to 50 community or portal journeys, up to 50 named admin or power users, single sign-on, role-based access control, audit export and premium support.

2. One-off setup and activation charges

Service onboarding and activation – £2,250 one-off

Includes initial service setup, branding, baseline configuration and onboarding of up to 5 community or portal journeys.

Additional journey onboarding – £450 one-off per item

Applies to each additional community or portal journey above the first 5 journeys included within the onboarding charge.

3. Optional published add-ons

Additional experience journey pack – £2,400 per year

Adds up to 10 additional community or portal journeys to any subscription tier.

Advanced personalisation add-on – £2,100 per year

Provides enhanced audience segmentation, personalised experiences and expanded reporting controls. This add-on is included within the Enterprise subscription.

Private deployment option – £6,000 per year

Provides a dedicated private deployment for buyers requiring a segregated environment.

4. Included as standard

Role-based access control, standard audit logging and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Experience configuration, content management, access controls and reporting are included within the subscribed service entitlement.

5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the journey volume, user entitlement and experience scope selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Salesforce - Experience Cloud and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
