G-Cloud 14 Pricing Document
Dynamics 365 Human Resources
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: **473632533589589**.

Pricing basis: Published monthly unit pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published unit pricing

Employee self-service user unit - £175 per user per month

Includes employee profile access, leave and absence activity, benefits access, and standard workflow participation.

HR professional user unit - £450 per user per month

Includes workforce administration, case handling, reporting, onboarding, and HR process management capability.

Enterprise HR management user unit - £850 per user per month

Includes advanced HR administration, workforce planning, analytics, and extended management capability.

2. One-off setup and activation charges

Service onboarding and activation - £1,500 one-off

Includes initial setup, baseline configuration, and activation of one live environment.

Additional HR or line-of-business integration setup - £500 one-off per integration

Applies to each additional integration beyond the standard setup included in onboarding.

3. Optional published add-ons

Recruitment and onboarding extension - £195 per month

Provides additional workflow and administration capability for recruitment and onboarding processes.

Remote administrator or user training - £450 per session

Provides remote training for up to 10 attendees.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Core HR records, workflow capability, and service usage reporting are included.

Standard software support during UK business hours is included.

Baseline dashboards, security roles, and standard configuration capability are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly in advance and are based on a minimum contract term of 12 months.

The applicable unit charges are determined by the number and type of user units selected by the buyer.

Where the buyer requires additional integrations, extensions, or training, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Dynamics 365 Human Resources and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
