VE3 Global Ltd
G-Cloud 14 Pricing Document
VMware Horizon Cloud Service on Microsoft Azure
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 548772128635930.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation – £9,600 per year

Includes one live virtual desktop environment, one test or validation setup, up to 50 virtual desktop users, up to 5 named admin users, standard dashboards, access policies and core monitoring features.

Professional – £19,200 per year

Includes all Foundation features, plus up to 200 virtual desktop users, up to 15 named admin users, image management, API access, enhanced monitoring and cross-environment reporting.

Enterprise – £36,000 per year

Includes all Professional features, plus up to 500 virtual desktop users, up to 50 named admin users, single sign-on, role-based access control, audit export and premium support.

2. One-off setup and activation charges

Service onboarding and activation – £2,750 one-off

Includes initial service setup, baseline configuration and onboarding of up to 50 virtual desktop users or application profiles.

Additional user or application profile onboarding – £35 one-off per item

Applies to each additional virtual desktop user or application profile above the first 50 items included within the onboarding charge.

3. Optional published add-ons

Additional virtual desktop user pack – £3,000 per year

Adds up to 50 additional virtual desktop users to any subscription tier.

Advanced monitoring and image management add-on – £3,600 per year

Provides enhanced image lifecycle management, monitoring dashboards and operational reporting. This add-on is included within the Enterprise subscription.

Private deployment option – £7,200 per year

Provides a dedicated private deployment for buyers requiring a segregated environment.

4. Included as standard

Role-based access control, standard audit logging and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Desktop monitoring, image management, access policy configuration and usage reporting are included within the subscribed service entitlement.

5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the virtual desktop user volume, application profile volume, user entitlement and service options selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for this service and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
