VE3 Global Ltd
G-Cloud 14 Pricing Document
Dynamics 365 for Operations Device SL
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 606729340969949

Pricing basis: Published monthly device pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published device pricing

Operations device unit - £175 per device per month

Includes task-based access for shop floor, warehouse, retail, and operational process execution from a shared device.

Extended operations device unit - £450 per device per month

Includes broader transaction handling, approvals, reporting access, and workflow participation for shared device scenarios.

Premium operations device unit - £850 per device per month

Includes advanced operational workflows, analytics access, and extended process automation for high-volume device-based usage.

2. One-off setup and activation charges

Service onboarding and activation - £1,500 one-off

Includes baseline setup, activation, and configuration of one live environment and one shared device profile.

Additional environment or integration setup - £600 one-off per environment or integration

Applies to each additional environment, connected application, or device configuration profile beyond the standard setup included in onboarding.

3. Optional published add-ons

Additional sandbox environment - £200 per month

Provides one additional non-production environment for testing, configuration, or training purposes.

Advanced analytics and reporting add-on - £250 per month

Provides extended operational dashboards, scheduled reporting, and additional reporting capability.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Core operational transaction processing, standard dashboards, and service usage reporting are included.

Standard software support during UK business hours is included.

Baseline configuration, workflow capability, and standard security roles are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly in advance and are based on a minimum contract term of 12 months.

The applicable unit charges are determined by the number and type of device units selected by the buyer.

Where the buyer requires additional environments, integrations, device profiles, or reporting capability, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Dynamics 365 for Operations Device SL and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
