G-Cloud 14 Pricing Document

Digital Transformation

Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: **614411399647946**.

Pricing basis: Published monthly subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Base service subscription - £395 per month per organisation

Includes access to the platform, administration features, workflow orchestration, reporting, and up to 10 named users.

Additional workflow pack - £195 per month

Covers up to 5 live digital processes.

Additional named user pack - £120 per month

Covers up to 10 additional named users.

API and integration module - £145 per month

Enables published API access and standard integration capability for connected services.

2. One-off setup and activation charges

Initial onboarding and configuration - £1,800 one-off

Includes initial setup, configuration, and standard implementation support.

Additional process configuration - £500 one-off per process or integration

Applies to each process or integration beyond the standard onboarding scope.

3. Optional published add-ons

Remote administrator or user training - £350 per session

Provides remote training for up to 10 attendees.

Annual prepayment discount - 5%

Applies to recurring subscription charges and is available to all buyers on the same basis.

4. Included as standard

Platform access, administration features, workflow orchestration, and reporting are included within the subscribed entitlement.

Standard software support during UK business hours is included.

Standard configuration capability and service usage reporting are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly unless otherwise agreed through a published payment schedule.

The applicable charges are determined by the subscription modules and user entitlements selected by the buyer.

Where the buyer requires additional processes, integrations, or training, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Digital Transformation and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
