## 4. Included as standard

Role-based access control, standard audit logging, and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Graph visualisation, query management, and relationship exploration are included within the subscribed service entitlement.

## 5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the dataset volume, user entitlement, or service modules selected by the buyer.

Where the buyer exceeds an included entitlement, or requires additional sources, workflows, or training, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Knowledge Graph Platform and Delivery and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
