VE3 Global Ltd
G-Cloud 14 Pricing Document
Interactive Engineering
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 656956630133580.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation - £6,600 per year

Includes one live environment, one test environment, up to 5 named admin or power users, standard workflow components, interface templates, and service reporting.

Professional - £13,800 per year

Includes all Foundation features, plus up to 15 named admin or power users, reusable component libraries, advanced interface configuration, API access, and cross-channel workflow support.

Enterprise - £25,800 per year

Includes all Professional features, plus up to 50 named admin or power users, single sign-on, role-based access control, audit export, and premium support.

Additional workflow pack - £1,500 per year

Adds up to 10 active workflows or interfaces to any subscription tier.

2. One-off setup and activation charges

Service onboarding and activation - £1,750 one-off

Includes initial service setup, baseline configuration, and onboarding of up to 5 workflows or interfaces.

Additional workflow or interface onboarding - £350 one-off per item

Applies to each additional workflow or interface above the first 5 items included within the onboarding charge.

3. Optional published add-ons

Mobile and device accelerator add-on - £1,800 per year

Provides mobile-ready templates, advanced responsiveness, and device integration features. This add-on is included within the Enterprise subscription.

Private deployment option - £6,000 per year

Provides a dedicated private deployment for buyers requiring a segregated environment.

4. Included as standard

Role-based access control, standard audit logging, and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Interface orchestration, workflow management, and configuration tools are included within the subscribed service entitlement.

5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the dataset volume, user entitlement, or service modules selected by the buyer.

Where the buyer exceeds an included entitlement, or requires additional sources, workflows, or training, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Interactive Engineering and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
