G-Cloud 14 Pricing Document  
Web Design, Mobile Design and IT Support Services  
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 682355303873040.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

#### **1. Published subscription pricing**

##### **Foundation – £6,000 per year**

Includes one live environment, one test or pilot environment, up to 5 digital journeys, up to 5 named admin or power users, standard design components, dashboards and support workflow features.

##### **Professional – £13,200 per year**

Includes all Foundation features, plus up to 20 digital journeys, up to 15 named admin or power users, advanced workflow configuration, API access and cross-channel reporting.

##### **Enterprise – £25,800 per year**

Includes all Professional features, plus up to 50 digital journeys, up to 50 named admin or power users, single sign-on, role-based access control, audit export and premium support.

#### **2. One-off setup and activation charges**

##### **Service onboarding and activation – £1,750 one-off**

Includes initial service setup, baseline configuration and onboarding of up to 3 website, mobile journey or support workflows.

##### **Additional website, mobile journey or support workflow onboarding – £450 one-off per item**

Applies to each additional website, mobile journey or support workflow above the first 3 items included within the onboarding charge.

#### **3. Optional published add-ons**

##### **Additional digital journey pack – £1,800 per year**

Adds up to 10 website, mobile or support journeys to any subscription tier.

##### **Advanced UX and accessibility add-on – £2,100 per year**

Provides enhanced UX reviews, accessibility evidence and design-system alignment. This add-on is included within Enterprise.

##### **Private deployment option – £6,000 per year**

Provides a dedicated private deployment for buyers requiring a segregated environment.

#### **4. Included as standard**

Role-based access control, standard audit logging and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Design component management, support workflow reporting and standard service dashboards are included within the subscribed service entitlement.

#### **5. Pricing assumptions and notes**

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the digital journey volume, user entitlement and service options selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for this service and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
