

Dynamics 365 Team Members:
LOT 2: Cloud Software

VE3 Global Ltd
G-Cloud 14 Pricing Document
Dynamics 365 Team Members
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 767687651532824

Pricing basis: Published monthly named-user pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published user pricing

Team member unit - £175 per user per month

Includes light-touch access for approvals, updates, task completion, basic reporting, and standard workflow participation.

Enhanced team member unit - £450 per user per month

Includes broader collaboration capability, case interaction, reporting access, and additional workflow participation.

Premium team member unit - £850 per user per month

Includes extended access for advanced reporting, cross-functional workflow participation, and higher-volume user activity.

2. One-off setup and activation charges

Service onboarding and activation - £1,250 one-off

Includes baseline setup, activation, and initial configuration of one live environment.

Additional environment or integration setup - £500 one-off per environment or integration

Applies to each additional environment or connected application beyond the standard setup included in onboarding.

3. Optional published add-ons

Additional sandbox environment - £175 per month

Provides one additional non-production environment for testing, configuration, or training purposes.

Advanced analytics and reporting add-on - £225 per month

Provides extended dashboards, scheduled reporting, and additional reporting capability.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Core team member functionality, standard dashboards, and service usage reporting are included.

Standard software support during UK business hours is included.

Baseline configuration, workflow capability, and standard security roles are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly in advance and are based on a minimum contract term of 12 months.

The applicable unit charges are determined by the number and type of named-user units selected by the buyer.

Where the buyer requires additional environments, integrations, or reporting capability, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Dynamics 365 Team Members and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
