

VE3 Global Ltd
G-Cloud 14 Pricing Document
Cloud Application Management
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 788954381879125

Pricing basis: Published subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation - £1,250 per month per organisation

Includes one live environment, up to 5 managed cloud applications, one service request queue, standard KPI dashboards, and up to 5 named admin or power users.

Professional - £2,650 per month per organisation

Includes all Foundation capabilities plus up to 15 managed cloud applications, up to 3 service queues, release calendar management, integration oversight, and up to 15 named admin or power users.

Enterprise - £4,950 per month per organisation

Includes all Professional capabilities plus up to 40 managed cloud applications, unlimited service queues, enhanced audit reporting, service improvement reporting, and premium support.

2. One-off setup and activation charges

Service onboarding and activation - £2,000 one-off

Includes initial service setup, baseline configuration, support model setup, and onboarding of up to 5 managed applications.

Additional application onboarding - £300 one-off per application

Applies to each additional application above the applications included within the onboarding charge.

3. Optional published add-ons

Extended support hours add-on - £600 per month

Extends support coverage outside standard UK business hours for the subscribed service.

Additional managed application pack - £750 per month

Adds up to 5 additional managed applications to any subscription tier.

Annual prepayment discount - 5%

Applies to recurring subscription charges and is available to all buyers on the same basis.

4. Included as standard

Standard software support during UK business hours is included.

Service reporting dashboards, ticket administration controls, and monthly service reporting are included.

Standard release coordination, incident oversight, and operational management within the subscribed entitlement are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly unless otherwise agreed through a published payment schedule.

The applicable subscription tier is determined by the number of managed applications and service entitlement selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Cloud Application Management and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
