VE3 Global Ltd
G-Cloud 14 Pricing Document
SAP Process Automation
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 802484818269641.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation – £7,200 per year

Includes one live environment, one test environment, up to 5 process workflows, up to 5 named admin or power users, standard automation templates, dashboards and alerts.

Professional – £15,600 per year

Includes all Foundation features, plus up to 20 process workflows, up to 15 named admin or power users, advanced automation components, API access and cross-process reporting.

Enterprise – £30,000 per year

Includes all Professional features, plus up to 60 process workflows, up to 50 named admin or power users, single sign-on, role-based access control, audit export and premium support.

2. One-off setup and activation charges

Service onboarding and activation – £2,000 one-off

Includes initial service setup, baseline configuration and onboarding of up to 3 process workflow or automation components.

Additional process workflow or automation component onboarding – £400 one-off per item

Applies to each additional process workflow or automation component above the first 3 items included within the onboarding charge.

3. Optional published add-ons

Additional process workflow pack – £1,800 per year

Adds up to 10 process workflows or automation components to any subscription tier.

Advanced automation add-on – £2,400 per year

Provides enhanced workflow orchestration, exception handling and process analytics. This add-on is included within the Enterprise subscription.

Private deployment option – £6,000 per year

Provides a dedicated private deployment for buyers requiring a segregated environment.

4. Included as standard

Role-based access control, standard audit logging and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Workflow automation, exception reporting and configuration management are included within the subscribed service entitlement.

5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the process workflows, automation components and named admin or power users selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for this service and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
