

# DocuBot

## Pricing Document

**Service ID:** 839794565358307

The pricing for DocuBot is based on a fixed published subscription model. All prices shown are exclusive of VAT.

- **Base service subscription:** £195 per month per organisation. This includes access to the DocuBot workspace, administration features, reporting, and up to 5 named users.
- **Standard user pack:** £120 per month for each additional pack of up to 10 standard named users.
- **Power user pack:** £240 per month for each additional pack of up to 5 power users.
- **AI response usage pack:** £35 per month for each additional pack of up to 1,000 AI-generated responses.
- **Initial onboarding and configuration:** £1,250 as a one-off fee. This includes initial setup, configuration, and standard implementation support.
- **Additional source system integration setup:** £450 as a one-off fee per source system.
- **Remote administrator or user training:** £350 per session for up to 10 attendees.

Recurring charges are billed monthly unless otherwise agreed through a published payment schedule.

An annual prepayment discount of 5% applies to recurring subscription charges and is available to all buyers on the same basis.

The prices in this document are the published G-Cloud 14 prices for DocuBot and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
