VE3 Global Ltd
G-Cloud 14 Pricing Document
VE3 Data Integration Platform / Master Data Management Platform
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 – Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 848616969620822.

Pricing basis: Published annual subscription pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published subscription pricing

Foundation – £8,400 per year

Includes one live environment, one test environment, up to 25 connected datasets, up to 5 named data steward or admin users, standard dashboards, matching rules and the core integration library.

Professional – £17,400 per year

Includes all Foundation features, plus up to 100 connected datasets, up to 15 named data steward or admin users, survivorship rules, API access, data quality dashboards and cross-source reconciliation.

Enterprise – £32,400 per year

Includes all Professional features, plus up to 300 connected datasets, up to 50 named data steward or admin users, single sign-on, role-based access control, audit export and premium support.

2. One-off setup and activation charges

Service onboarding and activation – £2,250 one-off

Includes initial service setup, baseline configuration and onboarding of up to 3 data source or connected datasets.

Additional data source or connected dataset onboarding – £450 one-off per item

Applies to each additional data source or connected dataset above the first 3 items included within the onboarding charge.

3. Optional published add-ons

Additional connected dataset pack – £1,800 per year

Adds up to 25 connected datasets to any subscription tier.

Advanced matching and stewardship add-on – £2,400 per year

Provides enhanced matching, survivorship rules, stewardship workflows and reconciliation dashboards. This add-on is included within the Enterprise subscription.

Private deployment option – £7,200 per year

Provides a dedicated private deployment for buyers requiring a segregated environment.

4. Included as standard

Role-based access control, standard audit logging and service usage dashboards are included within the service.

Standard software support during UK business hours is included.

Data integration, reconciliation, data quality dashboards and stewardship tools are included within the subscribed service entitlement.

5. Pricing assumptions and notes

The annual subscription is billed annually in advance and is based on a minimum contract term of 12 months.

The applicable subscription tier is determined by the connected dataset volume, user entitlement and service options selected by the buyer.

Where the buyer exceeds an included entitlement, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for this service and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
