VE3 Global Ltd
G-Cloud 14 Pricing Document
Dynamics 365 Sales
Lot 2: Cloud Software

All prices are stated in GBP and exclude VAT. This document sets out the complete published pricing structure for this service so that a buyer can calculate the applicable Call-Off Contract charges without contacting the supplier.

Framework / Lot: RM1557.14 / Lot 2 - Cloud Software

Supplier: VE3 Global Ltd

Digital Marketplace Service ID: 934357667804118

Pricing basis: Published monthly unit pricing with fixed one-off onboarding charges and fixed optional add-ons.

1. Published unit pricing

Sales Professional user unit - £175 per user per month

Includes core sales force automation, opportunity management, contact management, and standard reporting capability.

Sales Enterprise user unit - £650 per user per month

Includes advanced sales workflow, forecasting, automation, integration, and extended reporting capability.

Premium sales insights and forecasting user unit - £850 per user per month

Includes advanced forecasting, embedded intelligence, premium insights, and extended analytics capability.

2. One-off setup and activation charges

Service onboarding and activation - £1,750 one-off

Includes initial setup, baseline configuration, and activation of one live environment.

Additional CRM or application integration setup - £500 one-off per integration

Applies to each additional connected application or data source beyond the standard setup included in onboarding.

3. Optional published add-ons

Additional sandbox environment - £150 per month

Provides one additional non-production environment for testing, configuration, or training purposes.

Remote administrator or user training - £450 per session

Provides remote training for up to 10 attendees.

Education discount - 10%

Applies to eligible public education buyers and is available to all buyers on the same basis.

4. Included as standard

Core sales automation, standard dashboards, and service usage reporting are included.

Standard software support during UK business hours is included.

Baseline configuration, workflow capability, and standard security roles are included.

5. Pricing assumptions and notes

Recurring charges are billed monthly in advance and are based on a minimum contract term of 12 months.

The applicable unit charges are determined by the number and type of user units selected by the buyer.

Where the buyer requires additional integrations, environments, or training, the relevant published add-on charge will apply.

The prices in this document are the published G-Cloud 14 prices for Dynamics 365 Sales and apply equally to all buyers. Any discounts are published in this document and are available to all buyers on the same basis.
