8. Greater agility and flexibility in adapting to changing business needs
9. Enhanced decision-making with data-driven insights
10. Overall improvement in procurement efficiency and effectiveness

Why Efficio?

Efficio is the world's largest international procurement service provider with an unrivalled track record of delivering significant results for our client base.

For more than two decades, our deep expertise, hands-on approach, global scale, and ever-evolving technology have helped our clients realise their supply chain and procurement ambitions. We have developed purposefully as specialists, achieving consistent rapid growth to become the largest independent consultants in our field.

We combine the human intelligence and deep expertise of our consultants with the data and content gleaned from our years of specialist focus. So whether it's setting you up for procurement excellence, solving supply chain challenges, or optimising costs - from cost reduction to working capital management - we work alongside you to navigate the ups and downs of the procurement and supply chain landscape.

We work across all industries including Construction and infrastructure, Energy and utilities, Financial services, Food, retail and hospitality, Manufacturing, Pharma and healthcare, Private equity, Public sector, and Technology, media, and telecoms.

We have a talent pool of >1200 procurement specialists with c.750 of those possessing deep public sector and defence experience and have delivered major procurement transformations, strategic sourcing programmes and managed services for a range of Public Sector, NHS, Defence & Regulated entities.

We have extensive expertise in procurement, category management, supply chain, change implementation, programme management & project delivery. We provide clients with data analytics, reporting and operational data management, transferring knowledge and supporting the recruitment, onboarding and upskilling of client teams, including use of our training academy.

Efficio's work in the public sector, regulated and high security space means we know how to create value and challenge suppliers within the constraints of PCR/DSPCR.
