MAY 2024

Service Description

Efficio provide robust sustainability strategies for public sector organisations, guiding them on their journey to net zero. Our specialist support includes advisory services for sustainable cloud IT procurement and solutions, incorporating benchmarking, reporting, market analysis, carbon cube assessments, commitment tracking, multi-tier supplier reviews, net-zero frameworks, and supplier sustainability planning roadmaps.

Features

1. Advice and training on cloud IT sustainability and procurement integration
2. Established sustainability network to provide innovation and market insight
3. Customisable sustainable procurement templates for digital and cloud procurement
4. Capacity management and Capability Development
5. Tools, Templates, frameworks & Methodologies (can be bespoke options)
6. ESG and sustainability awareness training
7. ESG and sustainability capability and requirements assessment
8. Operating model, gap assessment and prioritization for sustainability transformation delivery
9. ESG Reporting and ESG data strategy
10. Net Zero roadmap planning and project management

Benefits

1. Leverage a wider pool of experienced, CIPS qualified consultants
2. Drive sustainability, ESG, Net zero
3. Become ESG-data driven and enhance organisational ESG performance
4. Develop social, environmental and economic driven detailed business cases
5. Unlock value through responsible and ambitious sustainability transformations
6. Gradual skills transfer ensuring self-sufficiency and long-term capability
7. Improve governance by embedding Greening Government Agenda into IT operations
8. Obtain a practical grounding in the key principles of sustainability.
9. Demonstrate to stakeholder groups that emissions are carefully considered
10. Deploy flexible and responsive resources at scale

Why Efficio?

Efficio is the world's largest international procurement service provider with an unrivalled track record of delivering significant results for our client base.

For more than two decades, our deep expertise, hands-on approach, global scale, and ever-evolving technology have helped our clients realise their supply chain and procurement ambitions. We have developed purposefully as specialists, achieving consistent rapid growth to become the largest independent consultants in our field.

We combine the human intelligence and deep expertise of our consultants with the data and content gleaned from our years of specialist focus. So whether it's setting you up for procurement excellence, solving supply chain challenges, or optimising costs - from cost reduction to working capital management - we work alongside you to navigate the ups and downs of the procurement and supply chain landscape.

We work across all industries including Construction and infrastructure, Energy and utilities, Financial services, Food, retail and hospitality, Manufacturing, Pharma and healthcare, Private equity, Public sector, and Technology, media, and telecoms.

We have a talent pool of >1200 procurement specialists with c.750 of those possessing deep public sector and defence experience and have delivered major procurement transformations, strategic sourcing programmes and managed services for a range of Public Sector, NHS, Defence & Regulated entities.

We have extensive expertise in procurement, category management, supply chain, change implementation, programme management & project delivery. We provide clients with data analytics, reporting and operational data management, transferring knowledge and supporting the recruitment, onboarding and upskilling of client teams, including use of our training academy.

Efficio's work in the public sector, regulated and high security space means we know how to create value and challenge suppliers within the constraints of PCR/DSPCR.
