

Efficio Resource Augmentation as a Service

LOT 3: CLOUD SUPPORT

MAY 2024

Service Description

Efficio bridges short-term capability gaps, accelerating e-procurement amidst changing demands. Commercial surge, project procurements, tool introduction, staff changes, contract management. Immediate access to sector expertise, network capabilities, and managed services empower your e-procurement, supported by cloud tools. We also facilitate knowledge transfer, enhancing capacity with SME knowledge.

Features

1. Tailored solutions for short-term capability deficiencies
2. Rapid response to project demands, crises, mergers, or staff turnover
3. Access to expertise across categories, sectors, and extended network
4. Consultancy or managed procurement services tailored to organisational needs
5. Interim management solutions provided up to CPO level
6. Organisation alignment for strategic procurement agility and long-term benefits
7. Immediate access to broad experience, tools, and superior processing
8. Linkage to deeper strategic sourcing and target operating model initiatives
9. Outcome-focused approach addressing analytical and strategic procurement requirements
10. Knowledge and insight transfer for empowered procurement teams and objectives

Benefits

1. Enhanced procurement agility and performance amid short-term resource challenges
2. Bridge resource gaps caused by project demands or unexpected situations
3. Immediate access to expertise across categories and sectors
4. Network capabilities and interim management solutions up to CPO level
5. Strategic alignment for long-term procurement effectiveness and efficiency
6. Rapid results delivery with superior processing power and proven methodologies
7. Insightful recommendations addressing analytical and strategic procurement needs
8. Empowered procurement teams with knowledge and skill transfer
9. Transformational impact on procurement function and organisational procurement capabilities
10. Integration with strategic sourcing initiatives and investments for sustainable benefits

Why Efficio?

Efficio is the world's largest international procurement service provider with an unrivalled track record of delivering significant results for our client base.

For more than two decades, our deep expertise, hands-on approach, global scale, and ever-evolving technology have helped our clients realise their supply chain and procurement ambitions. We have developed purposefully as specialists, achieving consistent rapid growth to become the largest independent consultants in our field.

We combine the human intelligence and deep expertise of our consultants with the data and content gleaned from our years of specialist focus. So whether it's setting you up for procurement excellence, solving supply chain challenges, or optimising costs - from cost reduction to working capital management - we work alongside you to navigate the ups and downs of the procurement and supply chain landscape.

We work across all industries including Construction and infrastructure, Energy and utilities, Financial services, Food, retail and hospitality, Manufacturing, Pharma and healthcare, Private equity, Public sector, and Technology, media, and telecoms.

We have a talent pool of >1200 procurement specialists with c.750 of those possessing deep public sector and defence experience and have delivered major procurement transformations, strategic sourcing programmes and managed services for a range of Public Sector, NHS, Defence & Regulated entities.

We have extensive expertise in procurement, category management, supply chain, change implementation, programme management & project delivery. We provide clients with data analytics, reporting and operational data management, transferring knowledge and supporting the recruitment, onboarding and upskilling of client teams, including use of our training academy.

Efficio's work in the public sector, regulated and high security space means we know how to create value and challenge suppliers within the constraints of PCR/DSPCR.
